## MEMORIAL GARDENS REFURBISHMENT

Have a look at the front garden and the Memorial Garden and see what has been done this last week. Spadework have done a really good job in laying new turf and removing the gravel edges and broken brickwork. There is a team of volunteers that are keeping the grass well watered. We are so blessed to have a dedicated

team of gardeners who give of so much of their time in keeping the church gardens in splendid condition. They still need new trees to plant. So if you can help purchase one, please see Deanne.

### IT'S ALL GO!!!

Lights! Music! Makeup! Action! It's all getting very exciting for the half-term Holiday Club coming up next week - 'Jesus - The Greatest Showman'. We have another fun packed week prepared for the children to enjoy being together with us from Tuesday onwards. Please pray that we will have lots of children and that they will enjoy learning more about the love of God. We also need adult helpers. So if you can spare a few hours each day Tuesday to Friday, then please speak to Bishop Paul or Revd Mark. The hall will (God willing) be gradually transformed into a Marquee with straw and other materials. Thank you to everyone who has contributed. There are lots of biblical themes we will be using each day, such as Samson (strong man), Jonah (escape artist), Elijah (fire eater) and Daniel (lion tamer) all pointing to God's Strength, Love, Power and Faithfulness. Please also reserve your place for the Saturday Film Night of 'The Greatest Showman', today, as this is expected to be well attended. You can order an alternative to Fish and

Chips. It is a good job Mark has a head for heights. The equipment he has borrowed from his contacts is amazing, from unicycles to diablos; from a tightrope walking frame to juggling balls, from giant footballs (can you see Emily lying on

will be most welcome. Or just come and make us a cuppa tea!

one) to stilts. The children will love them. Please pray that we are able to plant those seeds about the amazing God we serve. What an opportunity to share more about Him. Even if you can only help one day next week, you

## LADIES HAVING FUN

Last Tuesday the Bentley West Ladies group were being very creative with pumpkins. Although I thought the best pumpkin was the one Mary took home. It was untouched and was going to be used for her to make pumpkin soup. I love pumpkins soup!

## 'OUR LOVED ONES'

### MEMORIAL SERVICES

Last Sunday we held our annual Our Loved Ones Memorial Services. We could not accommodate everyone from both services into one service and so we again held both a 3pm and a 6pm service. Revd Colin read some poetry and Colin Hunt sang 'Someone to re-

member me'. May I thank everyone who contributed in getting the service advertised and organised. The work behind the service is tremendous. The responses from those attending said that the services were both moving and beneficial. What a joy to be able to support those who have been bereaved and still grieving. The Lord is good! Blessed are those who mourn, for they shall be comforted.
